

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Arbor Day Proclamation
MEETING DATE: April 2, 2003
PREPARED BY: Parks and Recreation Director

RECOMMENDED ACTION: That Mayor Hitchcock present a proclamation proclaiming "Arbor Day" in the City of Lodi.

BACKGROUND INFORMATION: Arbor Day is an annual observation that celebrates the role of trees in our lives and promotes tree planting and care. As a formal holiday, it was first observed in 1872, in Nebraska, but tree planting festivals are as old as civilization. The tree has appeared throughout history and literature as the symbol of life.

The idea of Arbor Day in the United States originated in Nebraska City, Nebraska. Among the pioneers moving into the Nebraska Territory in 1854 was Julius Sterling Morton from Detroit. Mr. Morton and his wife, Caroline, were lovers of nature, and the home they established in Nebraska was quickly planted with trees. Mr. Morton was a journalist and soon became editor of Nebraska's first newspaper. This allowed him to spread agricultural information and his enthusiasm for trees to his readers. His fellow pioneers missed their trees and needed them for windbreaks, fuel, building materials and shade. In 1872, The State Board of Agriculture accepted a resolution by J. Sterling Morton "to set aside one day to plant trees, both forest and fruit." The Board declared April 10, Arbor Day and offered prizes to the counties and individuals that properly planted the largest number of trees on that day. More than one million trees were planted in Nebraska on the first Arbor Day.

Shortly after this 1872 observance, other states passed legislation to observe Arbor Day each year with appropriate ceremonies. By 1920, more than 45 states were celebrating Arbor Day. Today, Arbor Day is celebrated in all fifty states.

The National Arbor Day Foundation, in cooperation with the U.S. Forest Service and the National Association of State Foresters, recognizes towns and cities across America that meet the standards of the Tree City USA program. Standard 4 requires Tree City USA applicants to hold an Arbor Day observance which can be simple and brief or an all-day or all-week observance. A proclamation issued by the mayor must accompany the observance and declare the observance of Arbor Day in the community.

On March 20, 2003, City staff received verbal confirmation from the National Arbor Day Foundation that the City of Lodi is now designated as a Tree City USA.
